CSA Agreement: Community Shared Agriculture (CSA) is a partnership between a farm and a community of supporters, which provides a direct link between production and consumption of food. Consumption of locally grown, in-season produce has been recognized as a valuable ingredient to healthy living. Supporters cover a farm's yearly operation budget by purchasing a share of the season's harvest. CSA members make a commitment so support the farm throughout the season and assume the costs, risks, and bounty of growing food, along with the farmer. The share price helps cover the farm's operating cost. In return, the farm provides, to the best of its ability, a healthy supply of seasonal, fresh produce throughout the growing season. Becoming a member creates a responsible relationship between people and the food they eat, the land on which it is grown, and those who grow it.

Your signature indicates you have read the CSA agreement and that you will become a member of the Crooked Creek Valley CSA.
